TRUSTNET'26

## INTERNATIONAL CONFERENCE ON TRUSTED NETWORKS AND INTELLIGENT SYSTEMS

February 16-17, 2026 | Manipal University Jaipur

About the Conference

The **Department of Computer Science and Engineering at Manipal University Jaipur,** India, is organizing **TrustNet 2026 - International Conference on Trusted Networks and Intelligent Systems** will serve as a global platform for distinguished thought leaders from academia, industry, and policy to engage in meaningful dialogue on the future of trusted digital ecosystems. Through a series of keynote sessions, expert panels, and collaborative discussions, participants will critically examine the most pressing challenges and emerging opportunities in secure networks and intelligent systems. These deliberations will not only generate actionable insights but also foster cross-sector collaboration.
